Social Justice Studies: Women, Gender and LGBTQ Studies AA-T Degree

The AA-T in Social Justice Studies: Women, Gender, and LGBTQ Studies provides a path for students wishing to transfer into various CSU majors related to Women, Gender, and LGBTQ Studies, such as Women's Studies, Gender Studies, or Queer Studies. This AA-T curriculum is an "Area of Emphasis" (AOE), which allows students to transfer into more than one CSU major related to Women, Gender, and LGBTQ Studies. Studies interested in transferring to a CSU campus to pursue a bachelor's degree in an AOE should meet with a counselor to confirm the courses required for lower division preparation in the major. This degree exposes students to the core principles and practices of the Social Justice Studies field to build a foundation for their future personal, academic, activist, or vocational paths.

Students with a bachelor's degree or higher often assume careers as (or in) the following: activists, community organizers, political campaigners, human rights groups, religious organizations, international agencies, lobbyists and mediators. This is also an excellent starting point for students interested in a career in law, law enforcement, social work, clinical psychology, or any social science, politics, business, education, or public policy. **Career opportunities require more than an associate's degree.**

Honors option:

The CRC Honors Program is designed specifically for academically accomplished students and for students with the potential for high achievement. Students who complete 15 units or more in honors-designated courses will earn special recognition as an Honors Scholar, a distinction that may entitle the student to guaranteed transfer and scholarship opportunities at select transfer colleges and universities.
