

# Automotive Mechanics Technology (Ford ASSET) A.S. Degree

The Ford Automotive Student Service Education Training (ASSET) Program is a two-year Associate's Degree program in Automotive Mechanics Technology. This program is designed to help students develop the skills necessary to efficiently and accurately maintain, diagnose, and service/repair all major systems of the automobile. Please refer to the [Program Handbook](#) for more information. Only students enrolled in the ASSET Program can enroll in Ford ASSET courses.

## Honors option:

The CRC Honors Program is designed specifically for academically accomplished students and for students with the potential for high achievement. Students who complete 15 units or more in honors-designated courses will earn special recognition as an Honors Scholar, a distinction that may entitle the student to guaranteed transfer and scholarship opportunities at select transfer colleges and universities.

## Transfer note:

Please meet with a counselor for specific transfer course evaluation or transferring to a specific 4-year institution.

## This program map also meets the requirement for:

the Certificate of Achievement in:

Automotive Transmission/Transaxles (Ford ASSET)

Automotive Brakes (Ford ASSET)

Automotive Electrical Systems (Ford ASSET)

Automotive Engine Performance (Ford ASSET)

## About this map:

This program map represents one possible pathway to complete the program. Please see a counselor to create an education plan that is customized to meet your needs. This map is not a guarantee of course availability or financial aid applicability.

## Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
