

# Firefighter Suppression Specialist Certificate

The fire service is one of the most dynamic employers in the country. This CRC program provides the student with updated skills and knowledge necessary to complete and successfully apply for fire service positions. The curriculum serves as an in-service program and a pre-employment program for students seeking employment or advancement in urban fire fighting and fire suppression.

Total Units: 29.25-43.25

<b>FT 320 <b>Z</b></b> Hazardous Materials	3	Advisory: FT 300, 301, 302, 303, & 304	F(odd years)

## About this map:

This program map represents one possible pathway to complete the program. Please see a counselor to create an education plan that is customized to meet your needs. This map is not a guarantee of course availability or financial aid applicability.

## Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
