

# Theatre Arts AA-T Degree - California State University GE Breadth

This program is designed for students who plan to transfer to a campus of the California State University (CSU). Other than the required core, the courses you choose to complete this degree will depend to some extent on the selected CSU for transfer. For students wishing to transfer to other universities, the AA-T may not provide adequate preparation for upper-division transfer admission; it is critical that you meet with a CRC counselor to select and plan the courses for the major, as programs vary widely in terms of the required preparation.
