

Film / Digital Cinema Production A.A. Degree

This program provides skills in film production, digital cinema, and television by preparing projects for viewing on campus, cable TV, the Internet, and new technologies. Given the expansion of new media distribution opportunities and the production convergence of High-Definition video and film, students will gain broad exposure to visual storytelling in a professional environment, including dramatic narrative, documentary, and experimental styles. This option can lead to entry-level jobs in the film industry, post-production, television, new media, business, and industry.

Total Units: 59-61

First Year

Semester 1

15-16 Units

COURSE	UNITS	PRE-REQS [^]	SEMESTERS OFFERED*	GE AREA

Transfer notes:

Please meet with a counselor for specific transfer course evaluation or transferring to a specific 4-year institution.

General Education (GE):

Non-specified GE courses identified by CRC Area, CSU Area or IGETC Area without pre- or co-requisite can be taken at any semester.

Honors option:

The CRC Honors Program is designed specifically for academically accomplished students and for students with the potential for high achievement. Students who complete 15 units or more in honors-designated courses will earn special recognition as an Honors Scholar, a distinction that may entitle the student to guaranteed transfer and scholarship opportunities at select transfer colleges and universities.

About this program map:

This program map represents one possible pathway to complete the program. Please see a counselor to create an education plan that is customized to meet your needs. This map is not a guarantee of course availability or financial aid applicability.

Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator,
