

Basic Culinary Services Certificate

This program provides training for employment in commercial culinary service operations. The program includes coursework in culinary arts, baking and pastry, food purchasing, culinary sanitation, nutrition, marketing, legal control, and financial analysis. Students will apply those skills with hands-on training.

About this program map:

This program map represents one possible pathway to complete the program. Please see a counselor to create an education plan that is customized to meet your needs. This map is not a guarantee of course availability or financial aid applicability.

Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
