

Business Administration 2.0 AS-T Degree

The Associate in Science in Business Administration 2.0 for transfer provides students with a major that fulfills the general requirements of the Cal. State University (CSU) for transfer to baccalaureate degree programs in business administration. Students with this degree will receive priority admission with junior status to the CSU system which is comprised of lower division coursework typically required. Each CSU may have slightly different requirements for transfer, so it is critical for students to work with their counselor to develop individual academic plans.
