[1] The Area B3 (Science Lab) course must correspond with either the Area B1 (Physical Science) or Area B2 (Life Science) course.

	EXPLANATION OF CATEGORIES	
RE	Restricted Elective	A course selected from a list of elective courses specified for this program in the course list in the catalog, which can be replaced with another course from the same list
GE	General Education	A course that fulfills a specific general education requirement for a degree, which can be replaced with another course that meets the same requirement
Req	Required Core	A course that is required for this program
Elec	Degree Elective	A degree-applicable course that is part of a degree roadmap to ensure that there is a total of at least 60 units, which is a requirement for an associate degree

- STAT 300, MATH 340, and/or MATH 342 may be required at many institutions. Speak with a Business HomeBase counselor if you are unsure.

- See ASSIST.ORG for the transfer requirements of the institution to which you plan to transfer.

- The UC system requires proficiency in a language other than English equivalent to two years of high school study. See a counselor about fulfilling this requirement.

Honors Courses (H):

Students with a cumulative GPA of 3.2 or better who complete 15 or more units of Honors coursework earn an Honors Transfer Certificate and can take advantage of honors-to-honors transfer agreements with highly selective colleges and universities, both public and private.
