TRANSFER PATH

Potential Transfer Majors:

The courses in this roadmap prepare students to transfer into the precredentialed Liberal Studies B.A. program at Sacramento State University. With minor changes, they also prepare students for the Child Development Integrated Pre-Credential Subject Matter Program at CSUS.

Potential Career/Options After Completing a Bachelor's Degree:

The pre-credential programs at CSUS prepare students to become K-8 or special education teachers in California.

Advising Notes:

- All of the required and restricted elective courses in this roadmap articulate with courses required for the Liberal Studies program at CSUS.
- This roadmap does not include all of the lower-division GE or Liberal Studies major requirements for CSUS. See [ASSIST.ORG](https://assist.org) for a complete list of all of the courses at ARC that articulate with courses in the CSUS Liberal Studies program.
- CSUS requires students to take both HIST 307 and 308 for the Liberal Studies B.A.
- Students can substitute ESLW 340 for ENGWR 300/480.
- ECE 401 and 404 are not required for this degree or for the CSUS Liberal Studies program, but they provide essential background in

working with students with different needs. They are also required for the CSUS teacher credential program.

- Students interested in the Child Development program at CSUS should also take ECE 314.

Scheduling Notes:

- ENGED 320 and 324 are offered during the day on weekdays in the fall and spring. They involve working with elementary students at a nearby partner school. Students are responsible for providing their own transportation to the partner school site.
- ECE 350, ENGED 324, and ENGED 320 include 40-50 hours of fieldwork at an approved elementary school setting. In order to work at school sites, students must complete the clearance process required by each school, which typically includes fingerprinting for a background check. Proof of certain vaccinations or a clear TB test may be required as well.
- ECE 404 is offered every semester and must be taken before or concurrently with ECE 401 (the lab portion of the class). ECE 401 is only offered in the fall.

Honors Courses (H):

Students with a cumulative GPA of 3.2 or better who complete 15 or more units of Honors coursework earn an Honors Transfer Certificate and can take advantage of honors-to-honors transfer agreements with highly selective colleges and universities, both public and private.
