Counselor Notes

- All AA-Ts and AS-Ts are designed to transfer to CSUs in most majors. ***Students who wish to transfer to a UC are strongly encouraged to meet with a counselor to determine additional major requirements.***
- Math – you may have other options for transfer level math; check with your counselor.
- Students with Advanced Placement (AP) and International Baccalaureate Credit (IB) test scores should notify their counselor to learn more about how test scores may be used for credit.***

Department Faculty Note

Faculty strongly recommend that students transferring to CSU Sacramento take PSYC 330 instead of STAT 300 for their Statistics requirement. All Psychology majors who have a STAT 300 placement on E-Services are eligible to take PSYC 330 instead of STAT 300. Faculty also suggest that students transferring to CSU Sacramento take PSYC 370 as a major elective. Students transferring to other universities should consult with a counselor to determine which Statistics and major elective courses to take.
