CAREER PATH

Career Options:

Upon completion of this program, students possess the coursework required for initial certification as a California drug and alcohol counselor (CDAC).

Advising Notes:

- This degree can be completed using either the local AA/AS general education (GE) pattern or the Cal-G ETC transfer GE pattern. See a counselor to determine which pattern is best for you based on your academic goals.
- Students can substitute ESLW 340 for ENGL C1000/C1000H (formerly known as ENGWR 300/480).
- Elective Courses:** any elective courses numbered 100-499, or having a 4-digit number starting with C.

Scheduling Notes:

- The program is designed for students to take 2 units of HSER 498 in one semester and 2 units in another semester, so all 12 counselor core functions are covered by the end of the second semester of HSER 498.

Other Notes:

- The second semester of internship (HSER 498) involves approximately 24 hours of work experience plus three 50-minute sessions on campus.
- In addition to having valid First Aid and CPR certification during internship placement, students must also provide a TB clearance.

CAT.	COURSE	UNIT	PREREQUISITES	GE AREA
GE	any Area L5 (Natural Sciences) course	3		L5
Elec	any elective course	2.5		

- There is a push in the industry toward requiring bachelor's degrees. Students interested in transferring to pursue a bachelor's degree are encouraged to discuss their options with a counselor.
