Req	AT 310 Heating and Air-Conditioning Systems	3	
Req	AT 330 Automotive Electrical Systems	3	
Req	AT 298 Work Experience in Automotive Technology	1	

CAREER PATH

Career Options:

This certificate prepares students for employment as a technician, shop foreman, or service manager for new car dealers, automotive repair shops, and fleet operators.

Other Notes:

- An internship (AT 298) is required as it opens up potential employment opportunities. Students can earn at least 1 unit for related paid or unpaid work experience including volunteer and internship positions through AT 298. See the [Work Experience website](#) for more information.

EXPLANATION OF CATEGORIES
