CAREER PATH

Career Options:

This certificate prepares students for licensure as paramedics, working for a fire department, rescue squad, private provider, industry, clinic, or hospital.

Scheduling Notes:

- PMED 114 and 115 are offered sequentially in the spring.
- PMED 121 is offered in the summer.
- PMED 131 is offered in the fall.

Other Notes:

- This program has eligibility requirements and a selection process. Detailed information about the program and pre-enrollment applications and selection criteria may be found in the college catalog and on the college website.
- Students must have a high school diploma or equivalent to enter the program.
- To enroll in this program, students must have a current EMT-Basic certification and approximately one year of verified EMS experience or a minimum of 280 verifiable EMS patient encounters acting as a team lead.
