EXPLANATION OF CATEGORIES

Req	Required Core	A course that is required for this program
GE	General Education	A course that fulfills a specific general education requirement for a degree, which can be replaced with another course that meets the same requirement
Elec	Degree Elective	A degree-applicable course that is part of a degree roadmap to ensure that there is a total of at least 60 units, which is a requirement for an associate degree

classroom. Students taking these courses will have the option of completing their practicum experience at the ARC Child Development Center (CDC), at their worksite (if it meets required lab placement criteria), or from a department-approved community placement site.

- Placements at community sites and the ARC CDC will require the following immunizations: a current TB test (0-12 months), T-DAP (within 10 years), and MMR. Students may sign a waiver for the flu vaccine.

Other Notes:

- **ZTC:** With the proper selection of courses, this program can be completed without paying for any textbooks. Look for the ZTC symbol in the class schedule. Learn more on the [ZTC page](#) of the college website.

Other Notes to Students Preparing to Transfer:

- See [ASSIST.ORG](#) for the transfer requirements of the institution to which you plan to transfer.
- The CSU system requires every student receiving a bachelor's degree to be knowledgeable about the Constitution of the United States, American history, and state and local government. This requirement is generally known as the American Institutions requirement. Students can complete this requirement at ARC before transferring. [See a counselor](#) for a list of approved courses.

Honors Courses (H):

Students with a cumulative GPA of 3.2 or better who complete 15 or more units of Honors coursework earn an [Honors](#) Transfer Certificate and can take advantage of honors-to-honors transfer agreements with highly selective colleges and universities, both public and private.
