TRANSFER PATH

Potential Transfer Majors:

- Geography B.A.

possible concentrations

- human geography
- physical geography
- geographic information systems
- metropolitan area planning

Potential Career/Options After Completing a Bachelor's Degree:

The opportunities for geographers are as varied as the scope of geography itself. Geographers are found throughout the public and private sector, though rarely in positions with the title of Geographer. When combined with appropriate internships and/or other work experience, a baccalaureate degree in geography is excellent preparation for careers such as natural resource management, environmental consulting, urban and regional planning, and elementary and secondary teaching. A baccalaureate degree in geography can also act as a stepping stone to graduate education in geography or a related field, such as Geographic Information Systems (GIS).

Advising Notes:

- Students can substitute ESLW 340 for ENGL C1000/C1000H (formerly known as ENGWR 300/480).
- **Transferable Elective Courses:** any elective courses numbered 300-499, or having a 4-digit number starting with C.

Other Notes to Students Preparing to Transfer:

- See [ASSIST.ORG](https://assist.org) for the transfer requirements of the institution to which you plan to transfer.
- The CSU system requires every student receiving a bachelor's degree to be knowledgeable about the Constitution of the United States, American history, and state and local government. This requirement is generally known as the American Institutions requirement. Students can complete this requirement at ARC before transferring. [See a counselor](#) for a list of approved courses.

Honors Courses (H):

Students with a cumulative GPA of 3.2 or better who complete 15 or more units of Honors coursework earn an H onors Transfer Certificate and can take advantage of honors-to-honors transfer agreements with highly selective colleges and universities, both public and private.
