Field Experience

Please note that ECE 320 and ECE 321 has a 102-108 supervised field experience lab requirement per course. These are approved program/curriculum courses required by the California Code of Regulations Title 22 and Title 5. Under the supervision of a qualified Mentor Teacher, students will complete 3.5 in-person scheduled lab hours twice a week at the CRC Child Development Center or an instructor-approved early learning and care setting. Up to 50 days of experience can be applied to California Commission on Teacher Credentialing (CCTC) Child **Development Permits for students** completing ECE 320 & 321. Up to 100 hours of supervised clinical practice equivalency (in-person lab hours) may be applied to a PK-3 Early Childhood Education (ECE) Specialist Instruction Credential Program (CCTC). The college requires all lab students to complete a lab waiver within the learning management system. Students must show current proof of tuberculosis clearance, pertussis immunization, and measles immunization. Additionally, students enrolled in the fall semester must be immunized against influenza, or submit an influenza waiver.
