

Early Childhood Education - Master Teacher Certificate - with Specialization Options

This certificate meets the requirements for teaching in a publicly funded early care and education program. It requires an additional 6 units of specialized study beyond the teacher level certificate, allowing the student to select a particular focus of study (i.e., infant/toddler; culture and diversity; health and nutrition; children’s literature; and art or music for young children). Applicants must verify required experience teaching children and supervising staff to be recommended to the California Commission on Teacher Credentialing for issuance of the Master Teacher Child Development Permit.

Career Options/Outlook:

The Early Childhood Education (ECE) – Master Teacher Certificate prepares individuals for advanced teaching and leadership roles in early learning environments. This certificate, combined with the required work experience, fulfills the California Child Development Permit requirements for the Master Teacher Permit, qualifying graduates for expanded career opportunities in the field of early childhood education.

Students interested in gaining work experience as a lead preschool teacher and considering further education at a California State University (CSU) for a teaching credential can apply these ECE units toward the PK-3 Early Childhood Education (ECE) Specialist Teaching Credential. This credential is designed for individuals seeking to teach in preschool, transitional kindergarten (TK), kindergarten, and early elementary grades (1st–3rd grade) in public or private elementary schools.

Additionally, students enrolled in ECE 320 (Curriculum and Interactions in Early Childhood Education) and ECE 321 (Advanced Practicum in Early Childhood Education) can earn up to

Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
