

Kinesiology A.A. Degree - Local GE

The Kinesiology Associate of Arts degree provides an opportunity for students to explore the areas of health, fitness and kinesiology. The degree is designed to provide an introductory foundation in these areas and to prepare students for success by developing a core of knowledge, skills and attitudes. Students will develop and learn to promote an active and healthy lifestyle. Other topics may include nutrition, sport psychology, recreation, sport management, women in sport, sport and society and sport ethics. This Kinesiology AA degree does not guarantee transfer to a CSU or UC. If you are interested in transferring to a four-year college or university, it is critical that you meet with a CRC Counselor to select and plan the courses for your major. Schools vary widely in terms of the required preparation.

Transfer notes:

Please meet with a counselor for specific transfer course evaluation or transferring to a specific 4-year institution.

General Education (GE):

Non-specified GE courses identified by CRC or Cal-GETC Area without pre- or co-requisites can be taken at any semester.

Honors option:

The CRC Honors Program is designed specifically for academically accomplished students and for students with the potential for high achievement. Students who complete 15 units or more in honors-designated courses will earn special recognition as an Honors Scholar, a distinction that may entitle the student to guaranteed transfer and scholarship opportunities at select transfer colleges and universities

About this program map:

This program map represents one possible pathway to complete the program. Please see a counselor to create an education plan customized to meet your needs. This map is not a guarantee of course availability or financial aid applicability.

Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs](#) page of the college website.
