

Medical Assisting Certificate

The CRC Medical Assisting Program is designed to prepare competent entry-level medical assistants in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains. Upon completion of the Certificate in Medical Assisting, students may take the CMA (AAMA) certification exam administered by the American Assoc. of Medical Assistants.

Total Units: 41.5-42.5

First Year

Semester 1-Program Pre-Req

11-12 Units

COURSE	UNITS	PRE-REQS [^]	SEMESTERS OFFERED*
AH 311 ¹ Z Medical Language for Health-Care Providers	3		F(O), S(O), Su(O)

About this program map:

This program map represents one possible pathway to complete the program. Please see a counselor to create an education plan customized to meet your needs. This map is not a guarantee of course

availability or financial aid applicability.

Honors option:

The CRC Honors Program is designed specifically for academically accomplished students and for students with the potential for high achievement. Students who complete 15 units or more in honors-designated courses will earn special recognition as an Honors Scholar, a distinction that may entitle the student to guaranteed transfer and scholarship opportunities at select transfer colleges and universities.

Enrollment Process

Eligible students are selected for the program according to the following steps:

COURSE	UNITS	PRE-REQS [^]	SEMESTERS OFFERED*
AH 120 Z Human Disease	3	Co-req or Pre-req: AH 110 & BIOL 100 or 102	F(O), S(O)

If it is a GE area class or elective, there may be several ZTC offerings to fulfill the GE requirement. Use the Free Textbook filter to find these courses. Learn more on the [ZTC page of the college website](#).

Semester 5

3 Units

COURSE	UNITS	PRE-REQS [^]	SEMESTERS OFFERED*
MEDA 140 Z Medical Assisting Practicum	3	COMM 325, MEDA 230, PSYC 300 & PSYC 371	F, S, Su

Z At least one section of this course is offered with free textbooks and is labeled as zero textbook costs (ZTC). If it is a GE area class or elective, there may be several ZTC offerings to fulfill the GE requirement. Use the Free Textbook filter to find these courses. Learn more on the [ZTC page of the college website](#).

[^]You must have passed the prerequisite course(s) with a "C" or better; Corequisite must be taken during the same semester; Advisory means it is recommended but not required to enroll in the course.

*(O) = online available (P) = partially online

- Only students who meet the pre-enrollment requirements will be considered for the program.

- Selection will be based on a random selection process, should the number of qualified applicants exceed available spaces in the program.

- Accepted applicants will be notified by the Program Director by July 1.

- Students will be required to perform a background and drug clearance or immunity to the following: measles, rubella, rubeola, varicella, TDaP, and possible influenza. Placement in a clinical location will be contingent upon the results of this screening.

Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
