

# Social Justice Studies: Race and Ethnicity AA-T Degree

The AA-T in Social Justice Studies: Race and Ethnicity Studies provides a path for students wishing to transfer into various CSU majors related to race and ethnicity, such as Ethnic Studies, Chicano Studies, or African American Studies. This AA-T curriculum is an "Area of Emphasis" (AOE), which allows students to transfer into more than one CSU major related to Race and Ethnicity. Studies interested in transferring to a CSU campus to pursue a bachelor's degree in an AOE should meet with a counselor to confirm the courses required for lower division preparation in the major. This degree exposes students to the core principles and practices of the Social Justice Studies field to build a foundation for their future personal, academic, activist, or vocational paths.
