Program Description: The Human Services Specialist certificate program in Social Work/Human Services prepares students for employment in paraprofessional positions in human service settings. Coursework focuses on skill development around core competencies for basic practice, including: interpersonal communication, case notes/writing/documentation, critical thinking, professional identity development, ethical and professional behavior, advocacy and social justice, cultural humility, and techniques for working with individuals and groups. This program is aligned with coursework for the SWHS General AA degree, allowing students to continue forward in their career and educational pathways, if desired.

Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator,
