**Program Description:** The Human Services Paraprofessional Certificate prepares students for employment in entry-level paraprofessional positions in human services settings. Coursework focuses on skill development around core competencies for basic practice, including: interpersonal communication, case notes/writing/documentation, and ethical & professional behavior. This program is aligned with coursework for the Human Services Specialist Certificate and SWHS General AA degree, allowing students to continue forward in their career and educational pathways, if desired.

### Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
