Certificate Notes:

This certificate of achievement is intended to offer students a new certificate opportunity that will provide those interested in gaining basic and intermediate skills in teaching visual arts to children pre-K through grade 12.

Upon completion of this program, the student will be able to:

- assemble sequential plans for developmentally appropriate art education in regards to age and art preparedness, as it relates to experience and technically appropriate visuals and artistic materials for individuals within groups of children in T-K through 12th grade education.
- demonstrate multimedia integration of the Visual Arts with performance arts and across the academic curriculum for learning enhancement of technical proficiency in various art mediums and techniques, spatial awareness, visual intelligence, and further understanding of other academic disciplines.
- describe and illustrate culturally diverse artworks by a variety of artists both contemporary and historical, with the a range of aesthetic expression communicated in an inclusive, anti-bias, equity-based environment.
- facilitate personal expression and the development of individual creativity through the use of multimedia materials used in both 2-

Dimensional and 3-Dimensional art and design with knowledge and sensitivity acquired through the familiarity of other artists' works.

Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
