Zero Textbook Costs (ZTC):

¹ Science Laboratory must correspond to either the Physical sciences or Biological Science lecture course. Related lecture courses must be completed prior to or concurrently with lab courses.

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
