

Film / Digital Cinema Production A.A. Degree - CalGETC

This program provides skills in film production, digital cinema, and television by preparing projects for viewing on campus, cable TV, the Internet, and new technologies. Given the expansion of new media distribution opportunities and the production convergence of High-Definition video and film, students will gain broad exposure to visual storytelling in a professional environment, including dramatic narrative, documentary, and experimental styles. This option can lead to entry-level jobs in the film industry, post-production, television, new media, business, and industry.
