## Notes

Upon completion of this program, the student will be able to:

- analyze compositional principles as they apply to three-dimensional form and space.
- create ceramic and clay sculpture utilizing basic traditional and contemporary techniques.
- demonstrate the proper and safe use of kilns and other clay related equipment.
- Art 372 offered only in fall**
- Art 370 offered only in spring**

## Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
