Notes

- The Master Teacher Certificate meets the requirements for teaching in a publicly funded early care and education program. Upon successful completion of the Master Teacher Certificate, students will demonstrate knowledge, preparation and competencies to be a lead or supervising teacher in early learning programs, mentor teacher for practicum students, or coordinator of curriculum and staff development. The Master Teacher Certificate requires an additional 6 units of specialized study beyond the teacher level certificate, allowing students to select a focus of study which may include: Science, Technology, Engineering, Art, and Mathematics (STEAM), Art with Children, Bilingual/Bicultural Development, Children with Exceptional Needs, Children's Health, Safety and Nutrition, Infant and Toddler Care and Music with Children. Applicants must verify required experience teaching children and supervising staff to be recommended to the California Commission on Teacher Credentialing for issuance of the Master Teacher Child Development Permit.
