- Attend FLC as a Social Work & Human Services Major seeking the SWHS General AA Degree
- Complete CWC required courses (selected from SWHS electives list) as outlined in this document
- Complete a minimum of 150 hours of supervised practicum experience providing behavioral health services to children & youth. Student must demonstrate core competency skills as part of their practicum experience.
- Complete the SWHS General AA degree requirements
- Apply for certification through the [California Department of Health Access and Information \(HCAI\)](#).

CWC educational pathway students must complete a minimum of 150 practicum hours (as compared to the 108 practicum hours required of all students in the SWHS 366 practicum course). Please note that the initial HCAI CWC certification application is accepted with 150 practicum hours, but a total of 400 hours is required for full certification. Any practicum hours (beyond the minimum 150 hours) not completed as a student while enrolled at FLC can be completed post-graduation via internship, volunteer, or work experience in a relevant setting. We recommend that your final elective course be SWHS 367, which is a second practicum course with the same format and expectations as SWHS 366 ([see other options here](#)).

If planning to transfer to a 4-year BSW (Bachelor's in Social Work) program, use [ASSIST](#) to look at the articulation agreements between FLC and your intended transfer college. Review the pre-major course requirements, and choose a degree-applicable elective that meets those requirements.

Students planning to transfer to a 4-year BSW program should carefully review transfer information available through [ASSIST](#) or school websites. Many BSW programs require that students earn a "B" grade or higher in all pre-major required courses (including SWHS 300: Introduction to Social Work & Human Services). Most BSW programs only start in the Fall semester. (Example: [Sacramento State Social Work Articulation Agreement](#)).

SWHS 366 is a practicum course (1 unit lecture / 2 units lab). Students work or volunteer a minimum of 108 during the course of the semester in a community-based agency that provides behavioral health services to children and youth. Work or volunteer hours are negotiated between the student and practicum site. The student is responsible for securing the practicum site, with resources provided by the instructor.

Please note that SWHS 350 is only scheduled in the Fall term, and SWHS 360 is only scheduled in the Spring term.

Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
