### Potential Transfer Majors:

A bachelor's degree in philosophy prepares students for careers in research, writing, policy analysis, and grant writing. It also prepares students for graduate school in several fields, including law and philosophy.

### Advising Notes:

### Scheduling Notes:

- The CSU system requires every student receiving a bachelor's degree to be knowledgeable about the Constitution of the United States, American history, and state and local government. This requirement is generally known as the American Institutions requirement. Students can complete this requirement at ARC before transferring. [See a counselor](#) for a list of approved courses.

## Honors Courses (H):

Students with a cumulative GPA of 3.2 or better who complete 15 or more units of Honors coursework earn an [Honors Transfer Certificate](#) and can take advantage of honors-to-honors transfer agreements with highly selective colleges and universities, both public and private.
