CAREER PATH

Career Options:

This certificate prepares students for careers such as a small photography business owner, studio assistant, studio photographer, freelance photographer, editorial photographer, stock photographer, and photo lab manager.

Advising Notes:

- Students interested in documentary photography are encouraged to take ARTPH 350 in the 3^d semester rather than ARTPH 370 in the 2nd semester, which is intended for students interested in family and lifestyle photography.
- This certificate can be started in the spring as well. See a counselor or to adjust the course work.

Scheduling Notes:

- ARTPH 310, 315, 322, 340, 350, 360, 370, and 375 are offered occasionally. See the class schedule for their availability.

Other Notes:

- ARTPH 302, 306, and 361 are not required for the certificate, but provide additional lab time for students who need it.
- Students should select restricted elective options based on future goals. Please read course descriptions carefully.
