## CAREER PATH

### Career Options:

This certificate prepares students for entry-level positions in the automotive industry.

### Scheduling Notes:

- The semesters that these courses are available may vary. See the course schedule for their availability.

### Other Notes:

- This certificate prepares students for all nine Automotive Service Excellence (ASE) certifications, including Advanced Engine Performance (L-1). It also fulfills the Bureau of Automotive Repair (BAR) requirements for CA State Smog Check Inspector and CA State Smog Check Repair Technician test candidates.
- An internship (AT 298) is highly recommended as it opens up potential employment opportunities. Students can earn at least 1 unit for related paid or unpaid work experience including volunteer and internship positions through AT 298. See the [Work Experience website](#) for more information.
- This certificate can be started in the fall as well. [See a counselor](#) to adjust the course work.
