

Political Science AA-T Degree

This AS-T Program provides a clearly articulated curricular track for students who wish to transfer to a UC or CSU campus while also serving the diverse needs of students interested in the breadth and depth of Political Science and International Relations. Additionally, this degree exposes students to the core principles and practices of both fields to build a foundation for their future personal, academic, or vocational paths. NOTE: It is highly recommended that students consider an internship offered by a participating agency or department.
