

Business Administration 2.0 AS-T Degree

The Associate in Science in Business Administration 2.0 for transfer provides students with a major that fulfills the general requirements of the Cal. State University (CSU) for transfer to baccalaureate degree programs in business administration. Students with this degree will receive priority admission with junior status to the CSU system which is comprised of lower division coursework typically required. Each CSU may have slightly different requirements for transfer, so it is critical for students to work with their counselor to develop individual academic plans.

Zero Textbook Costs (ZTC):

The Zero Textbook Costs designation and logo are added to any course that provides free access to all required instructional materials. These are typically shared with students through Canvas. Courses that are designated as ZTC may still require students to purchase supplemental materials such as lab coats, a calculator, art supplies, etc. See full definitions and searching tips on the [Zero Textbook Costs page](#) of the college website.
